

Parking & Shuttle Information

There is so much to do at **Berries & Blooms** that we know you'll want to get a good parking place! But parking at the High School is extremely limited so we can only allow anyone with a **handicapped permit** to park on the High School grounds. For everyone else, there is lots of parking at any one of our three parking areas—one within walking distance of **Berries & Blooms** and two that will have shuttle buses running continuously from 10am to 5:15pm.

The parking areas are:

1) Sobeyes (Shuttle Stop)

4610 Ontario St.

2) Elves Flooring (Shuttle Stop)

4514 Ontario St.

2) Church of Christ (No Shuttle)

4900 John St. (Walk south on Concord Ave about 200 yards and follow the grassy area to the right into the school grounds.)

Please see the map on the reverse for directions. And check out what's going on at:
