

Pampering Fest Vendor Comments from 2007 & 2008

Great opportunity

Very well organised.

You women did an awesome job

Thank you again for a great day!

Had a wonderful show. Very interested in returning next year. Love the fact that it is for women only.

Very well organized -- volunteers extremely helpful

I have been in other events that cost way more than this one did and this event was by far the best one I have been in. I love that fact it is geared towards women which is my target market. I got so many new contacts I never would have gotten if it wasn't for this show.

A popular event. Great community participation.

thank you and your volunteer for all your effort in making a great Pamper Fest. I gave treatments to 23 ladies. I never even stopped for a break and from the feedback. I think everyone enjoyed the day. Very successful and beautifully run. Thank you again. You did a fantastic job. Let me know if you do another one.

Great job, very well organised I will come again for sure!

Nice layout for vendors. Very well organized. Thanks to all the volunteers

Excellent festival -- Looking forward to next year. Thanks.

Organization excellent!

This is the first Pampering Fest we have attended and it is very organized. I am amazed at how many vendors are here.

Love the plants & lovely fabric around doors.

We enjoyed joining the Pampering Fest.

I want to congratulate and thank you for an awesome well organized event. It sure was an excellent opportunity for everyone involved. May all the positive energy and effort you have put in it returned to you multiplied. Thank you again, and God bless.

Thanks again for having me as a vendor at the Pamperfest this year! It was really great!! I met some really great women. Please count me in for next year, if you are so inclined. I would really love to participate again!!

Can't wait until next year. Can I have the same spot next year please?
